Office of Legislative Counsel

Tuesday - 1 March 1960

1. Boyd Crawford, House Foreign Affairs Committee staff, telephoned to inquire if we could shift the 3 March briefing to 2 March. After checking, Crawford was advised that this was acceptable.

2. Mr. Allen Lesser, in the office of Senator Jacob Javits, called and requested neutral European countries' reaction and comment on the Civil Rights debate now taking place in the Senate. FBIS is working on this.
